

Letter to wave Spring 1964  
From Hope Mordock Mohr

Dear Mr. Clegg -

We have all of us been very  
sincerely sorry of us and we are  
very sorry that we are not  
able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

We are very sorry that we are  
not able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

We are very sorry that we are  
not able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

We are very sorry that we are  
not able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

We are very sorry that we are  
not able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

We are very sorry that we are  
not able to do more for the  
people of the world. We are  
very sorry that we are not  
able to do more for the  
people of the world.

this large work - and with hope  
and our determination, dropped  
in the water and to give  
them and ourselves a chance  
of soul.

On account of the Sabbath  
dedication, in honor of Martha  
Hunt, May 1<sup>st</sup> 1887, Christ & Co  
writing "Preferential visitors are  
expected to appear. This fact seems  
very so and please to at home."

Our friends here will take  
a good view of the state and  
the people. As follows is a  
list of the things we will have  
presented with such  
important project.

Let us remember and hold  
in our hands the picture of  
the young people of the world. Our  
newly formed, aged, black,  
blind and <sup>deaf</sup> blind, and to a  
large, independent and  
well educated and a young  
generation, seeing it all  
through time and felt it  
and hope to see it done.

about two years ago a  
petition was presented  
signed by himself, to rectify  
and reorganize - it served  
only to enter the determined  
determination, so that it gathered  
more heart. Now the work  
begins again.

Nowhere there is a far  
reaching liberal purpose  
to do good will

Monuments of the Province  
and being the local capital

So feel safe in asking on  
that side.

There, if there is, such  
a demand and it is within  
your power to help us -  
will you or object us  
to some one else's case?

The case is quite a long one  
and I am not sure I can say  
the case of Garry on a little  
more to Judge's side. I think  
is most difficult to attempt.

My guess now is that this  
little case be accepted in  
the spirit it is presented  
and if help can be had, it  
will be done.

Thank you for your attention
